Maple Grove Parents' Club elected to use escrow money to benefit former Maple Grove students. Any student through 12<sup>th</sup> grade that attended Maple Grove before it closed in 2010 may apply for funds up to \$200 a year for EDUCATIONAL PURPOSES. There is a lifetime cap of \$300.

### TERMS AND CONDITIONS

\*Applications for grants can be copied off this site or picked up at the front desk of the district office, filled out, and mailed to the address at the bottom of the application. There will be two deadlines each year: September 15<sup>th</sup> and February 15<sup>th</sup>. Applicants should be notified in about two weeks from each deadline.

\*Grant money can be sent to an applicant to reimburse a purchase. A receipt is required to be sent in with the application.

\*If money is requested before a purchase is made, the applicant is responsible to research the exact amount requested. The grant check can then be written directly to the store or organization. (For example: A graphing calculator at Office Max is \$156.95) A copy of the receipt or invoice is still required to be sent to Molalla River Education Foundation c/o Maple Grove. If a receipt or invoice is not sent in, the applicant will forfeit the right to access future funds.

\*There is a lifetime cap of \$300 per student. An exception can be made to access the full \$300 at one time if the board deems it reasonable at the time of the request. An example of this might be that a student wants to apply the full \$300 towards the total cost of the 8<sup>th</sup> grade Washington D.C. trip.
